Curtis D. – Bridges, Cross With Me, Canada – 1994

My experience in *Bridges Cross with Me* in 1994 was amazing. I was 15 years old, never had been away from my hometown or friends and family for a long period of time. A great time had by everyone, a good time spent in fellowship and with friends.

The experience also prepared me eventually for 4 years at Michigan State University and the long way from home, as well as long periods without seeing my family or friends. The gatherings at the Youth Event, and music and the scheduled events were great and will always be in my memories as a great experience.

Anyone who has the opportunity to go should welcome it with open arms, a chance to get away and see a little piece of what the rest of the world has to offer.
